

TBayTel's New Telephone Directory: A Colourful Pastiche of Regional Images

TBayTel celebrates unique places and moments in Northwestern Ontario on the 2008-2009 Telephone Directory Cover. In recognition of their 100th anniversary, we applaud the important role of the Thunder Bay Historical Museum Society in preserving and sharing the history of our region.

With many images selected from the Thunder Bay Museum's extensive archives, we present a lively patchwork of photographs that reveal architecture from the past, telecommunication tools new and old, and glimpses of life throughout our region. If you would like help identifying images, please visit the TBayTel website where each photograph is numbered and briefly described.

Over 118,000 directories are placed in homes and businesses in Thunder Bay every year. The Telephone Directory is an indispensable information system that includes up-to-date emergency phone numbers, comprehensive maps, community and City of Thunder Bay information, an events calendar, TBayTel services and products, government information and the Yellow Pages. Directory delivery begins on Saturday, June 28, and will continue until July 13, 2008.

For more information call 623-4400.
