Features

FREE Call Waiting

Take an incoming call while putting the first call on hold. Use SND/Talk to switch between callers.

FREE 3-Way Calling

Add a third party to a call in progress. Press SND/Talk to put 1st call on hold. Dial 2nd call, press SND/Talk then press SND/Talk to include 3 ways.

FREE Caller ID

Your phone can display the number of an incoming call if it is compatible and if this network feature is available.

Text Messaging

Send and receive text messages and e-mails via your digital phone or our website: www.tbaytel.net.

FREE Call Blocking

Block your cell number from being displayed on a per call basis. Activate: Press *85 followed by the number you are calling. To deactivate permanent call block on a per call basis: Press *86 followed by the number you are calling.

Voice Mail

Store up to 10 saved messages for up to 5 days.
